Subject: Request for Nutrient Mgt. CEC Credits

January 11, 2005

Mr. Michael S. Aucoin, Education Specialist
Pennsylvania Department of Agriculture
Nutrient Management Program, Room G11
2301 North Cameron Street
Harrisburg, PA 17110-9408

Dear Mr. Aucoin,

I have just submitted an application for continuing education credits (CECs) electronically through the Pennsylvania Nutrient Management Program's website. This request for CECs is for the Snyder County Conservation District's sponsored 2006 Farmer's Winter Meeting on Thursday, February 2, 2006, in Middleburg, Pennsylvania. It will be held in the Reliance Fire Hall from 9:00 a.m. to 3:00 p.m. Lunch will be provided.

The meeting is open to the public. A nominal fee of \$3.00 is required to cover some of the cost of the meal. Reservations are due at the Conservation District office by Wednesday, January 18, 2006. Please feel free to promote this meeting to the public.
