

Stormwater Management: Looking for Innovative Approaches

Evaluation

Wednesday, March 19

Please take a few minutes to provide us with some feedback.

Please assess your knowledge in the following areas before and after today's event (1 is low; 4 is high):

	<i>Before</i>	<i>After</i>
• Nonpoint source pollution, including reduction/prevention strategies	1 2 3 4	1 2 3 4
• Stormwater Best Management Practices	1 2 3 4	1 2 3 4
• Green infrastructure	1 2 3 4	1 2 3 4
• Funding sources for Low Impact development	1 2 3 4	1 2 3 4

After attending this workshop I plan to :

• Establish a 'no mow' zone around waterways on my property	Yes	No	NA
• Plant a riparian buffer	Yes	No	NA
• Install a stormwater best management practice on my property	Yes	No	
• Apply for cost share funding from the Conservation District	Yes	No	
• Talk with my township officials about reducing stormwater on my street	Yes	No	

Other comments:

***Thanks very much for attending our workshop. We hope that
you enjoyed it!***

Financial and other support for this project is provided by the Pennsylvania Association of Conservation Districts, Inc. through a grant from the Pennsylvania Department of Environmental Protection under Section 319 of the Clean Water Act, administered by the U.S. Environmental Protection Agency.
