- November 16, 2016
- 8:30am to 4:30pm, Lunch, Breaks & Materials provided
- Paid Registration is required by October 31st
- No Refunds for Cancellations after November 8th

The Blair County Conservation District is partnering with the Southcentral Region of the PA Department of Environmental Protection (DEP) to offer a one day training session for planners, engineers and others working with the state's *Chapter 102: Erosion & Sediment Control* regulations. It will take place November 16, 2016 at the Altoona Grand Hotel, Altoona, PA.

Please note that an additional training is being offered by the PA Association of Conservation Districts on November 9, 2016 at the Red Lion Inn Harrisburg Hershey for those who are closer to or wish to go to Harrisburg. Register for the Harrisburg training through www.pacd.org.

This session builds on the 2015 training session on permitting and permit applications for *Chapter 102: Erosion and Sediment Control*. The training will focus on designing and permitting of activities which are reviewed by the Waterways & Wetlands Program in the Southcentral DEP Region.
